Winter Shield, an annual U. S. Army winter field exercise, involves 60,000 U. S. Army, German and French troops, marks the high point of a year's training for units in NATO's "Pyramid of Power."

Shackelford, a radio operator in the company in Kaiserslautern, Germany, entered the army in September 1959 and received basic combat training at Fort Leonard Wood, Mo. He arrived overseas in March 1960.

Before entering the Army, the 24-year-old soldier was employed by the U. S. post office department, Chicago. He is a 1953 graduate of Madison high school, his parents, Mr. and Mrs. Walter B. Shackelford, live at 11335 Cassel street.

Car Taken From Here Wrecked In Missouri

Granite City police were advised Friday that an auto taken from Granite City Tuesday with owner's permission had been found wrecked near Wayneville, Mo., and towed to garage there.

The auto, a 1957 model, belonged to Donald Whitehead, 2125 Ohio avenue, who said it had been taken by a relative. Police are endeavoring to learn more details of the accident in Missouri.

Crash South Of Madison

A traffic collision at 7:10 p.m. Friday on Route 67a at the Cloverleaf Addition, south of Madison, was reported to state police, who have not yet completed their report. One of the drivers was listed as V. M. Hoff, and it is believed there were no injuries. A tow truck was sent to the scene.

Klein Street Mishap

The southbound auto of Andrew Scott, 415 Weaver street, Venice, and northbound auto of Robert Jones, 104 Lee Wright Homes, were damaged slightly in colliding at E. 11th and Klein streets, at 3:15 p.m. Saturday.

Crash On Bridge

Traffic was delayed at the eastern approach of the McKinley Bridge at 1:30 p.m. Saturday when large trucks driven by W. C. Doss Jr., Shawnee, Okla., and Miles Borders Jr., St. Charles, Mo., collided at the curve atop the approach.

The entire front of the east-bound Borders vehicle was damaged, along with the right front and hood of the westbound truck. The vehicles were brought down the unused side of the approach, which is being resurfaced, and the trucks worked to eliminate the traffic tieup.

LOCAL GIRL SCOUTS who have been selected to participate in national Girl Scout events this summer are (left to right) Barbara Byrnes, Mary Beth Gavin and Sharon Reinhardt. All are Senior Girl Scouts in the Tri-City Girl Scout Council. Miss Byrnes and Gavin represent Troop 44 and Miss Reinhardt, an alternate delegate, is registered with Troop 49.

3 Chosen For National Girl Scout Events

Three senior Girl Scouts from the Tri-City Girl Scout Council have been selected as delegates or alternates for national events. They are Barbara Byrnes, daughter of Mr. and Mrs. Charles Byrnes, 4733 Namekoi road; Mary Beth Gavin, daughter of Mrs. Evelyn Gavin, 3148 Colgate place; and Sharon Reinhardt, daughter of Mr. and Mrs. Elmer Reinhardt, 2805 Iowa street.

Heritage Trail Delegate

Miss Byrnes will meet with 47 other senior Girl Scouts from every state, plus 24 Ranger Scouts from Mexico, Brazil, Denmark, Canada, the Philippines, France, Germany, England, Ireland, Netherlands, Norway and Italy on June 20 at the University of Kansas in Lawrence, Kan. The event is the "Heritage Trail" event.

The delegates will be divided into four groups, each of which will have a particular quarter section of the United States by chartered bus for a two-month period.

At the tour's completion, the entire group will meet again for workshops at the university. Purpose of the "Heritage Trail" is to enable American Girl Scouts and Rangers from foreign countries to explore the United States and bring a national international project into being.

Shackelford In Winter Maneuvers In Germany

Army Pfc. Edward D. Shackelford, whose home is in Chicago, is participating with other personnel from the 59th Signal Co. in Exercise Winter Shield II at the Grafenwohr-Hohenfels training area in Germany. The exercise is scheduled to end this week.

of Weaver, McKinley and Market streets, based on a request by the state.

Engineer For Pollution

Approval was given to a contract designating the Sheppard, Morgan and Schwaab firm to perform engineering services for Venice in its actions to abate river pollution, with the fees coming to those outlined by the Illinois Society of Professional Engineers.

"Any supervision of construction work included for the whole to apply for federal funds to conduct a survey to show whether it would be most practical to proceed on its own or with other cities, or to designate the East Side Levee and Sanitary district to handle pollution abatement."

"Any money paid for engineering services now would come out of the total cost of engineering services included for the whole program," Dr. Lee said.

The contract provides for the engineers to receive 20% of their fee for preliminary designs, 45% for final plans and 35% for general supervision of construction.

First Ward and Second Ward aldermen reported installation of new street lights and said the lights are "making a big difference" in the lighting of their neighborhood.

City Engineer Jack Tolliver praised efforts of the street department and McKinley Bridge staff in clearing Thursday's snow from traffic lanes.

Fischer Named To SIU Executive Committee

The Southern Illinois University board of trustees Friday re-elected John Page Wham, Centerville, as chairman and Melvin C. Lockard, Macoupin, secretary. Named to serve with Wham on the executive committee were Lindell W. Sturgis, Metropolis, and Harold R. Fischer, Granite City, president of the First Granite City National Bank.

Wham was named to study possible solutions to the East St. Louis school board's decision to seek different terms in SIU's lease on the former East St. Louis school property. It was decided to remove the word Carbondale from the university's official seal, in view of the fact that SIU now encompasses facilities in more than one city.

Architect John D. Randall of Chicago was named to assist SIU Architect Charles M. Pulley in planning the new university east of the Quad-Cities.

Cowley-Robertson Nuptials

Saturday At St. Mark's

White gladioli, chrysanthemums and greenery decorated St. Mark's Catholic Church in Venice Saturday morning for the wedding at 10 o'clock of Miss Janet Robertson, a daughter of Mr. and Mrs. Edward Robertson, 1309 Robin street, and Frank Cowley, whose parents are Mr. and Mrs. Iver Cowley, 630 Lincoln avenue, Venice.

Rev. Robert McCarthy performed the ceremony which was followed by a breakfast for the wedding party and the families at the Grand Cafe.

The bride was given in marriage by her father. She was attired in a formal gown of Chantilly lace and tulle. The molded bodice was fashioned with a jeweled, sabrine neckline and long tapering sleeves. The very bouffant skirt which billowed from a basque waist line was styled with pointed tulle effect over alternate tiers of lace and tulle. A fingertip veil of hand-rolled, scalloped French illusion was caught to a princess crown of sequins and pearls and white Killarney roses. Bounced with lace made up the bride's cascade bouquet.

A maid of honor, Miss Patricia Wilkinson, and two bridesmaids, Miss Gene Robertson, a sister-in-law, and Miss Frances

Margi, preceded the bride and her father down the aisle. They were identically groomed in bright red velvet frocks. Stated length, with full skirts they had three-quarter length sleeves and V necklines. All three held white fur muffs adorned with Baccara roses and wore matching fur headpieces.

The bride's mother wore light blue tulle with patent accessories, while Mrs. Cowley, the bridegroom's mother, was in a lilac suit and beige accessories. Both wore pink Delight rose corsages.

Thomas Voegelé was best man for Mr. Cowley and groomsmen and ushers included William Cowley, the bride's brother, Gene Robertson, Robert Kennedy and Charles Schueger.

The wedding reception was held at 7 p.m. in the basement of St. Mark's church and the newlyweds left later for a honeymoon trip. When they return they will reside on Broadway in Venice.

The bride and groom are both graduates of the Venice high school and Mr. Cowley is employed by Paper Products Co. in Madison. The former Miss Robertson is an employee of the Metropolitan Life Insurance Co.

MRS. STEPHEN A. FRENCH, who was married Saturday evening at Third Baptist Church. A daughter of Mr. and Mrs. William H. Carmack, 2840 Grand avenue, she is the former Judith Carmack.

French-Carmack Nuptials

At Third Baptist Church

Third Baptist Church, 26th and the back held by three large trees, the scene of the wedding Saturday evening of Miss Judith Ann Carmack, a daughter of Mr. and Mrs. William H. Carmack, 2840 Grand avenue, and Stephen A. French, a son of Mr. and Mrs. William A. French of Mattoon, Ill.

Rev. Howard White heard the ceremony. The couple knelt on a rug before the altar decorated with emerald trees, intermingled with white flowers. Greenery also decorated the altar rail and the light was furnished by burning candles in hurricane candelabras at the front of the sanctuary.

Completing the wedding party were Sgt. George Overby of St. Louis, best man; Jerry Lorenz, brother, and Stephen Jegel of Edwardsville, a cousin of the bride, groomsmen. The guests were seated by four ushers, Tommy Bigham, Charles Worscutter, Edward Woodward and Jim French, the bridegroom's brother.

The men in the wedding party were a miniature bride and groom, Kimberly Worster and Timmie Elliott. The former wore an identical copy of the bride's gown complete with headpiece and veil and carried a small bouquet of white gladioli and lilies of the valley.

For her daughter's wedding, Mrs. Carmack selected a dress of orchid silk organza, an orchid hat and shoes and white gloves. Mrs. French, the bridegroom's mother was in lilac with matching accessories. Both wore white orchids.

The wedding reception was held at the church directly after the ceremony. Huckleberry foliage and white flowers decorated the bride's table and assisting were Mrs. Janet Kunick, Miss Marlene Webb of Alton, Pauline Jean Walton of Centerville, Ill., a cousin of the bride, presided over the guest book.

After a wedding trip to Florida, the newlyweds will reside to Granite City to reside. The former Miss Carmack graduated from the Granite City high school and for the past three and one-half years has been employed at the Engineer Depot. Mr. French is a graduate of the Mattoon high school.

PRISCILLA CIRCLE HOLDS MEETING. Priscilla Circle of the Woman's Society of Christian Service of Niedringhaus Memorial Methodist Church met Thursday afternoon in the home of Mrs. John Smith on Edison avenue with Mrs. Clara Dawdy as co-hostess.

The lesson from the study book "Safe in Bondage" was given by Mrs. Quincy Mathis. The meeting closed with the Lord's Prayer and eleven members responded to roll call. Mrs. Pearl Campbell was a guest for the afternoon and Mrs. Minnie Frohardt presided in the absence of the president, Mrs. Leonora Hawks.

BANANA FRITTERS. Banana fritters are a delectable accompaniment for baked ham. Dip wedges of the bananas in regular fritter batter and deep-fat fry.

Red brocade was used to fashion the gowns of the bride's attendants. Floor-length, all made on princess lines they featured sweeping bustle effects in the back.

After the gift packages were opened there were games and awards went to Medames Clara Ledbetter, Ethel Lerch, Elaine Spengler, Gene Erby, and Misses Leola Ingram, Karen Shelton, Linda Hudson and Kathryn Reither. Refreshments were served by the hostesses.

Miss Hahn will be married March 4 to Kenneth Tankley. The ceremony will take place at Niedringhaus Memorial Methodist Church.

Miss Linda Hahn, one of the early spring brides-to-be, was guest of honor Sunday afternoon at a miscellaneous shower at the IOOF hall.

Hostesses were Miss Sharon Myers, Mrs. Mary Groshing, Mrs. Eula Myers, Mrs. Ina Myers and Mrs. Wayne Myers. Valentine appointments were used and approximately 53 guests were present.

Ruth Ann Rensing Is Betrothed To William Schreiber

Announcement has been made of the engagement of Miss Ruth Ann Rensing, a daughter of Mr. and Mrs. Norman Rensing, 2128 Woodlawn avenue, and William Schreiber, a son of Mr. and Mrs. Alfred Schreiber, 3242 Colgate place, to be married Saturday evening at Third Baptist Church.

Both young people graduated from the Granite City high school with the June 1959 class and the bride attended Miss Hickey's School for Secretaries in St. Louis. She is presently employed in the Social Security Administration office in Alton. Her fiancé, a student in the School of Business Administration at Washington University, is a member of Sigma Alpha Epsilon fraternity.

William Atwood Sr., 64, former Resident, Dies. William I. Atwood sr., 64, Roxana, a former Granite City resident, died at 12:50 a.m. today at his home of an artery ailment. Bedfast for about a year, he had been under medical care for about ten years. Atwood was a Granite City resident for 30 years and had lived in Roxana for the past four years.

He was a member of the Assembly of God Church in Wood River. Surviving are his wife, Helen; a daughter, Mrs. Joseph (Dennis) Galla, Granite City; two sons, William I. Jr., Granite City, and Donald Atwood, Roxana; two sisters, Mrs. Alvin (Viola) Sewell, and Mrs. George (Bessie) Trueblood, both of Detroit, Mich., and ten grandchildren.

Funeral arrangements are given in the obituary column. Put a vanilla bean, broken into several pieces, in a tightly sealed jar with a cup of very finely-grained sugar to serve with fruit-made apple fritters. Good enough for epicures!

Denham-Blevins Wedding On Saturday At Baptist Chapel

Wedding vows were exchanged Saturday afternoon by Miss Portia Blevins and James Denham at the Pontoon Beach Baptist Chapel. Rev. Gus Falter officiated at the 3 o'clock ceremony.

The bride is a daughter of Mr. and Mrs. Ralph Blevins, 4248 Division street. Mr. Denham's parents are Mr. and Mrs. Philip Mertz, 2713 Marshall avenue.

All arrangements were simple, and the only attendants were Miss Jo Ann Redin and Emmett Moore, the latter of Edwardsville.

For her wedding, the bride wore a dress of white organza over taffeta, a short veil held in place with a pearl-studded crown and carried an orchid on a white ribbon. Miss Redin was in green lace over satin.

A reception was held at the church after the service and the newlyweds left later for a honeymoon in the south. When they return they will reside in Granite City.

The bride, a graduate of the Granite City high school, is employed by the Granite City Trust & Savings Bank. Mr. Denham served three years in the U. S. Marine Corps and at present is employed in St. Louis.

St. Joseph P&F Club Plans Events

The Parents and Friends Club of St. Joseph's Parochial school held a monthly meeting Thursday evening in the church basement.

Mrs. Allen Smith presided over the short business session following a pot luck supper and March Gras party, and plans were made for a year arounds program for the school children.

Mrs. Elizabeth Jenkins, program chairman, was in charge of entertainment at the meeting which was attended by approximately 38 members.

Miss Joan Frances Lanahan And Ronald L. Eads Wed

White and red flowers and greenery provided the setting for the wedding Saturday morning at Sacred Heart Catholic Church of Miss Joan Frances Lanahan, eldest daughter of Mr. and Mrs. LeRoy Lanahan, 2523 Benton street, and Ronald L. Eads, whose parents are Mr. and Mrs. Walter Baumbarger, 2415 Pine street. The Rev. Michael Costello officiated at the double ring ceremony and the Nuptial Mass.

The bride and her father were preceded down the aisle by a maid of honor, Miss Lana Winters, and three bridesmaids, Misses Marcia and Mary Lanahan, sisters of the bride, their cousin, Miss Janet Krieger, of Edwardville, and Mrs. Donald Boyer of Cahokia, Ill.

A gown of white peau de soie and imported Alencon lace was worn by the bride. The basque bodice was cut to a deep oval neckline outlined with lace, and bracelet-length sleeves. Additional lace medallions trimmed the very full skirt which swept into a graceful court train. A large bow attached to the train gave back interest and a veil of illusion cascaded from a butterfly crown of seed pearls and crystals. White roses made up the bridal bouquet.

The attendants were attired in identical cardinal red velvet gowns with oval necklines, and bell-shaped skirts. Red satin

Thomas W. Kelsos Observe 45th Anniversary

Mr. and Mrs. Thomas W. Kelsos, 2519 Cleveland, bldg., observed their 45th wedding anniversary Saturday by holding open house from four until eight o'clock p.m. at their home.

The Kelsos were married Feb. 2, 1915 at the parsonage of First Methodist Church in East St. Louis and have made their home in the Quad-Cities since that time. Mrs. Kelsos is the former Garnet Brown.

The home was ablaze throughout with a profusion of flowers and the tea table, holding the silver service and an arrangement of white stock chrysanthemums and a Garland roses was lighted with blue candles in silver candelabra. Those pouring throughout the afternoon and evening were Mrs. Henry Reimers, Mrs. Wesley Lomax, Mrs. Earl Miller, Mrs. Earl Lewis, Mrs. Walter Koeh, Miss Anna Hadaller, Mrs. Christ Louie, Mrs. Ben Schneider and Mrs. Victor Baer.

A special table held a large three-tiered wedding cake decorated with blue roses. Those presiding over the cake table were Mrs. George Robinson, Mrs. Arthur Cravette, Mrs. John Stallings and Mrs. Fred Reeder. Rev. David B. Maxton, pastor of First United Presbyterian Church, offered a prayer of Thanksgiving for the many blessings bestowed upon the couple during their married life.

Mr. and Mrs. Kelsos were assisted in receiving their guests by their sons and their wives, Dr. and Mrs. T. W. Kelsos of Champaign, and Mr. and Mrs. Neal Kelsos of St. Louis and their grandson, Thomas R. Kelsos.

The Kelsos have three other grandchildren, Mary Alyce, Bruce and Mary Lu Kelsos. Approximately 140 guests called to offer congratulations and best wishes.

Work, Fun Day Guild At Church

The annual work and fun day of the Afternoon Guild of St. John United Church of Christ, Nameoki road was held Thursday in the youth center of the church.

The morning project was the making of cancer bandages. Mrs. Alice Kaler, Christian service chairman, reported 12 dozen bandages had been made and others were packaged for home work by the members.

A noon luncheon was served and "sunshine friends" gifts were exchanged among the group. Valentine appointments were made at the luncheon.

The meeting was called to order at 1:30 and, after prayer by the pastor, Rev. Paul Surbey, devotions were given by Mrs. Clotilde Corbin. The topic was "The Mission of the Church in Service." Mrs. Clara Harbig read the Scripture lesson.

The sick report was given and Mrs. Alycia Seipel, president, gave a resume of a Social Action Conference held Jan. 18.

Contributions were made to the Emmaus Home in St. Louis and to the Hitz Memorial Home in Alhambra. A Bible study period is scheduled for the March meeting, which will be held at 11 a.m. and the members will bring sack lunches.

Mrs. Paul Surbey, president of the Quad-City Council of Church Women, requested the ladies attend the annual World Day of Prayer service scheduled for 7:30 p.m. Feb. 17, at Niedringhaus Memorial Methodist Church accompanied by their families.

The speaker will be Dr. O. Walter Wagner of St. Louis, a world traveler and lecturer who is also executive secretary of the Metropolitan Church Federation of St. Louis.

Forty members responded to roll call, and there was one guest present, Mrs. Claudia Lenz. The meeting adjourned after the Lord's Prayer by the group.

Ladies Coterie Hears Talk By Juvenile Officer

James Reidelberg, chief juvenile officer of Madison County, was guest speaker Thursday afternoon at a meeting of the Ladies Coterie held at First United Presbyterian Church, 22nd street and Delmar avenue.

Introduced by the program chairman, Mrs. E. F. Reiske, the speaker gave an informative talk on juvenile detention homes and discussed the new home, to be called the Madison Juvenile Shelter, which will be erected this spring near Edwardville.

Also on the program was Mrs. John Tate, who played two piano selections, "Valse Romantique" by Erik Meyer-Helmund, and "The Rosary" by Ethelbert Nevin.

Mrs. Arthur Roseman was hostess to the club and a dessert luncheon was served to 24, including a new member, Mrs. George Flicoff.

Mrs. W. G. Cooley, president, presided at Thursday's meeting. The next meeting will be held Feb. 16 at the church with Mrs. Henry George as hostess and Mrs. David Maxton serving as program chairman.

The drama "Life With Father" played on Broadway for 3,224 performances. Next longest run was "Tobacco Road" with 3,382 performances.

Miss Freda Thorn Becomes Bride Of Charles Mikuleza

The maid of honor, Miss Betty Thorn, a sister of the bride, and bridesmaids, Misses Sharon Hutner, and Barbara Ewing, were dressed alike in net over light blue satins. The skirts were full and ballerina-length and all held white fur muffs adorned with white roses and were matching fur headpieces.

Two little flower girls, Donna and Linda Frazier, were in blue and white floor-length dresses of nylon over taffeta. They carried baskets of rose buds.

Mrs. Frazier appeared in navy blue with white accessories. Her flowers were white carnations. Mrs. Ewing, who was the bride's best man and James Johnson, Tom Anderson, Jerry Holtman and Neil Banning, served as groomsmen and ushers.

The wedding reception was held at Kirkpatrick Homes directly after the church service, and the newlyweds left later for Dubuque where the bridegroom, an airman third class, U. S. Air Force, is stationed.

Exterminators Clinch 2nd Straight Classic League Championship, 80-71

Modern Exterminators rode a 32-point first quarter to its eighth straight victory and a second successive Classic League basketball championship Thursday night at the Coolidge junior high school gym.

Modern clinched the title by defeating the Teachers 80-71, but had to pull out all the stops in a tight ballgame which was in doubt until late in the last quarter.

The Exterminators led 18-7 after one quarter of play, trailed the Teachers 37-36 at the half and were one point up after three quarters, 54-53.

Bob Miller bombed in 35 points for the Teachers and Terrell had 22 more. Modern had three players in double figures, led by Don Lytton.

The Exterminators have a two-game lead over Spangler Oil and Friedman's, which are tied for second place. All three teams have only two games remaining during the regular season.

In the second game at the Coolidge gym Thursday, Friedman's sailed past Latin Quarter 96-45 for its fifth win in eight tries.

Granite City Slips Past East St. Louis, Edwardsville

Improves Conference Record To 5-5 On Strength of 66-62, 57-53 Wins

Granite City high school's Warriors cut down a couple of court opponents in Southwestern conference basketball action over the weekend to move into fourth place in the loop and even their SWC record of 5-5. Granite City is 12-8 overall.

Friday night, the Redmen staved off East St. Louis to take a 66-62 win at home against the Flyers, and 24 hours later they gained revenge for an earlier defeat by rallying strongly in the second half to nudge the Tigers in Edwardsville, 57-53.

East St. Louis, which had beaten Granite City everywhere but on the scoreboard Friday night, continued to show improvement Saturday as it won its first SWC game in 10 tries, surprising Bellevue 48-48.

Alton hammered Wood River 80-67 Saturday, but conference teams were battling only for second place in the standings.

Collinsville led the league title with a 67-46 victory over Bellevue Friday evening. The Warriors, who looked somewhat flat in defeating East St. Louis, rallied to win a second-half stamina against Edwardsville, a team that had beaten them earlier 80-80.

Down by as many as 13 points, Andy Sullivan's charges ripped the Tigers with a press and a fast break to outscore their hosts by nine points in the last 16 minutes.

Regulars Frank Knight and Jim Simpson accounted for 26 of Granite City's points. Grant Takmanjian who held the hottest hand outcourt.

His jumpers from outcourt were finding the mark consistently, and he led the Warriors with 18 points. The previous evening, he scored only four points.

The "young gun" of the team, Grant Takmanjian, 18, Frank Knight, 18, Jim Simpson, 18, and regulars John Grobicki, 17, Ed Prater, 17, Tony Penelton 15, Ken Commins 10, Bobby Waugh, 15, Mickey Matejka 9.

The Warriors had trouble getting up for their game Friday night, and until the last half minute of the 66-62 contest, they still had visions of finding their first conference victory in nine games.

The lead changed hands several times before Granite City's Harry Thurman engineered a steal at midcourt and drove to the layup to put the Redmen on top to stay with 2:05 remaining.

Pick Dehner's club led by as many as five points early in the game. He changed hands several times and never did relinquish the lead. The Flyers held a 28-17 edge in the first half.

Granite City employed a full-court press and recovered missed shots. Coach Andy Sullivan said

"We really looked state," Sullivan said after the game, adding that he probably would give his squad the day off today. Granite City's next engagement is in Dupo Friday night.

In other Southwestern conference action Friday night, Collinsville clinched the loop title with an easy 67-46 victory over Bellevue, the only club that had a mathematical chance of catching the Flyers.

Granite City's victory in Friday's preliminary, 67-54.

The variety scorers: Granite City — Frank Knight 22, Jim Simpson 14, Harry Thurman 11, John Grobicki 8, George Moore 8, Grant Takmanjian 4, Mickey Matejka 2, Ed Prater 2, Tony Penelton 2, Ken Commins 1, Bobby Waugh 1, Mickey Matejka 1.

Edwardsville — Jim Simpson 14, Harry Thurman 11, John Grobicki 8, George Moore 8, Grant Takmanjian 4, Mickey Matejka 2, Ed Prater 2, Tony Penelton 2, Ken Commins 1, Bobby Waugh 1, Mickey Matejka 1.

Lincoln of Venice was tall in bustling stature but short on points as the towering Sumner of St. Louis Bulldogs slipped by the Rams 68-65 Friday night in the Lincoln hardwood.

Thomas Hall, top area scorer, was "held" to 20 points, but was given assistance by his teammates in their drive to topple the once-beaten Bulldogs.

The famed Bulldog fast break circuit play, dropped a 39-12 contest last week against Wood River for an overall record of 6-3.

Lincoln, down 40-35 at halftime, fought the opponents in the final segment but could not keep down the scoring efforts of Willie Jones, who flipped in three key baskets in the closing minutes. He led his team with 27 points.

Sumner, which averages about 6-3, controlled the boards. Its tallest man is 6'7, in comparison with Lincoln's 6'2 center.

Lincoln Scoring
Hall led the scoring and was followed by Charles Hatter, who had 16 markers. Henry Rice and Robert Chavis each had 12 points. East Crawford four and Archie Taylor one point.

Lincoln again will be at home for a contest tomorrow night when it meets Vashon of St. Louis. Vashon emerged victorious in the first encounter in Missouri by downing the Lincoln 61-55 on Dec. 7.

The loss brought to an end a four-game winning streak of the Rams, who now boast a 7-6 overall record.

Free Throws Decisive
Sullivan and Dehner agreed on the game's deciding factor: free throw accuracy by the Warriors in the waning minutes.

The Warriors hit 12 of 14 from the line in the last eight minutes, and all of their free throw opportunities in the quarter fell under the bonus classification.

East St. Louis outscored the Warriors from the field by four points in the final period and held a two-field-goal lead for the entire game.

Center Marty Frano, who has all the necessary moves and a soft jumper that found the mark consistently, led the Flyers with 21 points, one less than the Warriors' leading scorer, Frank Knight.

Down by 20 unexpected help from little Tom Payne, a 5-8 guard who got hot in the second half and popped in 12 of his 14 points from outside. Jim Long and Rufus Jones pounded the boards for the visitors, but the overall combination was not quite enough as the Flyers slipped in their 12th defeat in 36 games.

Granite City improved its record to 5-5 in the conference mark and popped in 12 of its 14 points to 4-5 with the victory. Two of those SWC wins have been over the last two games.

In Fuel Trouble
Knight, who collected three goals in the first half, set out the latter part of that period and all of the second quarter.

When he put into the game up again in the third period, the GCHS forward came back strong with five baskets, and then added six more points in the final quarter.

"We really looked state," Sullivan said after the game, adding that he probably would give his squad the day off today. Granite City's next engagement is in Dupo Friday night.

In other Southwestern conference action Friday night, Collinsville clinched the loop title with an easy 67-46 victory over Bellevue, the only club that had a mathematical chance of catching the Flyers.

Falcons Seek Title At Chouteau Valley Tourney Finals

Sacred Heart parochial school advanced to the championship finals of the Chouteau Valley conference basketball tournament in Edwardsville Friday night, but the second Quad-City representative, St. Mary's of Madison, was defeated in semifinal play the same evening.

Sacred Heart edged St. Peter and Paul of Collinsville 26-23 to win a berth in the finals, while the host St. Boniface Blues of Edwardsville upended St. Mary's 40-22.

St. Mary's will meet St. Peter and Paul in a third-place final game Wednesday at 7 p.m., followed by the championship contest between the Falcons and St. Boniface at 8:15.

Semifinals and finals had been scheduled for Thursday and Friday of last week, but were postponed because of snow-covered highways.

Joe Hauptmann of Sacred Heart won the free throw trophy presented by tournament officials by sinking 36 of 50 attempts during a between-games contest Friday night.

Madison—Kahoks' 19th Straight Victim

Walker Hits 29, Clears 21 Rebounds; But Simpson's Splurge Is Clincher

Madison high school, sadly lacking in bench strength, became the 19th straight victim of Collinsville's powerful Kahoks Saturday night, but Coach Vergil Fletcher can thank his lucky stars that Bob Simpson was persuaded to transfer from Madison to Collinsville last year, or the outcome of the weekend's highly publicized battle of prep basketball powers might have had a different ending.

A perpetual motion machine with one eye always on the basket, Simpson brought the Kahoks back from a five-point halftime deficit with a dazzling display of shooting in the third period Saturday, and Collinsville rode his hot streak to an 80-67 victory before a packed house.

Simpson hit seven of eight shots from the floor and scored 15 points in eight minutes as the Kahoks overcame Madison's 36-31 intermission advantage and raced to a 59-48 lead after three periods of play.

The Trojans, with 6-4 Ed Walker all but tearing down the gym, tried hard to come back but just didn't have the all-around horsepower to do it.

Earl McClanahan's team has lost four times in 17 games this year, and three of those losses have been the work of the Kahoks. For awhile Saturday, it looked as if the third time would be a charm for the McClanahan clan.

Walker Outduels Redmon
Walker, who outdid Collinsville's Bogie Redmon with the finest performance he has turned in all season, if not during his entire prep career, led Madison to early control of the backboards.

Only Simpson's phenomenal shooting and driving saved the day. The little 5-11 backliner broke Madison's "back" by making sure there were no rebounds to be grabbed off. He just didn't miss, and totaled 25 points.

To Walker went game scoring honors, however. His 29 points were a personal season's high as were the 21 rebounds he grabbed. Redmon, who causes Kahok supporters to roar in expectation everytime he gets the ball, got only nine rebounds and plunked in 18 points.

Give MISS Guards Trouble
Simpson and Bobby Meadows, who spearheaded Collinsville's high court press, gave Madison Guards Ken Griggs and Dan Hrysko a bad time all evening.

Their tight guarding held the pair to a total of only 13 points, and three players at one forward position could pick up only four points for Madison.

Madison's Don Freeman, to whom fell the task of trailing Redmon most of the evening, drew fouls all evening with his feinting under Madison's basket and chipped in with 21 points, marking the 10th straight contest in which he has been in double figures.

But the combination of Simpson and Collinsville's overall balance was too much, particularly in the second half of the game, when the Kahoks' performance left little doubt that they richly deserve the rating as Illinois No. 1 prep case team.

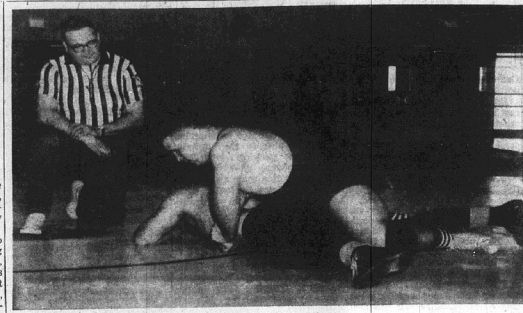

Collinsville threatened to break it open early. The Kahoks led 9-2 in the first quarter after Redmon had hit a right-handed hook. The shooting of Walker and Freeman pulled Madison to within four at the quarter's end, 18-14.

The Trojan hit eight straight points midway through the second quarter to grab a 28-25 lead, and then stretched it to 36-29 on Chuck Venarsky's basket before Redmon hit again just before the halftime.

The Simpson Story
A short break for intermission, and then enter Mr. Simpson. He opened with a free throw, hit an outside jumper, drove twice, hit again over the top, came inside on a layup, popped in another long jumper and was all by himself just before the gun to grab off a teammate's missed shot and score a back-handed layup that gave the Kahoks an 11-point lead.

Walker had his best quarter in the last period, scoring 11 points but his teammates scored only one between them and Griggs Hrysko and Venarsky all fouled.

Madison cleared 39 rebounds and the Kahoks 37. Collinsville shot 491 from the floor, and

Warrior Grapplers Trim Missouri Champs, Jacksonville; Now 15-1

Warrior wrestlers continued their hex over the Missouri prep state grappling champions here Saturday afternoon, defeating Ritenour high school of St. Louis in a dual meet, 29-16. The previous afternoon, Coach Bill Red' Schmitt's matmen came back from Jacksonville, Ill., with a 39-8 victory.

The Warriors have only tomorrow's dual meet in Wood River, between themselves and the district tournament, which will begin here Friday evening.

Saturday's victory over Ritenour, which has won the Missouri title for the past 13 years, was the 11th straight for Schmitt's Southwestern conference champions.

Granite City has lost one dual meet in 16 outings this season. The Warriors also repeated as dual match winners over Ritenour.

The St. Louis visitors, one of the toughest foes on Granite City's schedule for 1950-51, were out of the running Saturday after Charles Haug turned in a victory by a fall for the Warriors in the 155-pound class.

State Champ Beaten
Buddy Felchlin, going at 127 pounds for Granite City, scored a 10-sided 12-0 victory over a Missouri state champion, previously undefeated Bill Kaller, to highlight action Saturday at the GCES gym.

Roger Bloodworth held Ritenour's undefeated Tony Latore to a 1-1 draw in the previous match.

The meet results:
At Jacksonville:

Local Netsters Are Ranked By Missouri Valley Association

Rankings released today by the Missouri Valley Tennis Association show four young Granite Cityans listed among the top amateur players in an area which includes southwestern Illinois, Nebraska, Oklahoma, Kansas, Arkansas, Iowa and Missouri.

Highest ranking among the local players listed is held by Gay Mueller of Granite City and Mary Ann Eisel of St. Louis, who are rated fourth in the girls' 15 doubles division.

Following are David Moss, ranked fifth in the Junior men's singles division; Bill Logan and Mike Barnes, ranked eighth in boys' 15 doubles; Barnes, 12th-ranked in boys' 15 singles; and Miss Mueller, ranked 17th in the girls' 15 singles.

Sacred Heart Wins No. 20 Saturday

Sacred Heart parochial school's basketball squad scored its 20th victory of the season at the Sacred Heart gym Saturday afternoon, downing St. James of Decatur 40-23. The Falcons had a 21-9 halftime lead.

Joe Hauptman rimmed 15 points for the winners, and Vince Debeve 14. Frank Bausch's squad has lost only once this season, and will play for the title of the Chouteau Valley conference tournament Wednesday night in Edwardsville.

The Sacred Heart seventh grade team rolled to a 48-42 win in the preliminary game at Jim Holland scored 17 points and Mike Pritchard added 15.

Roxana Scores 61-22 Victory Over Prather
Roxana junior high school's eighth graders rolled over Prather junior high school 61-22 here Thursday night, ending a winless season for the Prather squad. Bill Wolfe topped the locals with seven points.

Prather's seventh graders, with Jim Rains netting 18 points and Terry Valencia 10, nipped the visitors in the first game 41-38 in overtime. Roxana had held a 16-10 lead at halftime, and regulation time expired with the score tied 36-36.

St. Bartholomew's, Optimists, Chiefs Stay in Race

The Junior Optimists, St. Bartholomew's and the Chiefs, all contenders for the title in the Granite City park district's Junior Teenage Basketball League, scored important victories Saturday at the park district community center.

The Optimists clipped St. Joseph's 27-20 despite Tom Miodsky's 10-point effort for the losers. The Chiefs rolled past Wolfe Construction 41-25 with Bob Martinez scoring 17 points for the winners to set the day's individual pace, and St. Bartholomew's rapped the Indians, 40-27.

Barry Sylles rimmed 14 markers for St. Bartholomew's, while teammate Rich Lee had 10. Len Revelle topped the Indians with 13.

In other games Saturday, the Sacred Heart JV edged the Varsity Service Station 26-23, despite 14 points by the losers' Terry Tesary, and Community Heights turned back the Braves 35-21 as Neal Wolfe scored 33 points and Pat Harris added 10, both for the winners.

GC Golden Glover Loses Decision

Joe Ybarra, Granite City amateur boxer fighting under the Fiat A. C. banner in the St. Louis area Golden Gloves eliminations, was outpointed by Jim Andre of the Sportsman A. C. in a three-round preliminary bout Thursday at St. Louis House.

The bout was in the 118-pound sub-junior division.

Bill Smith, also of Granite City, is entered in the 125-pound novice division, but drew a bye in Thursday night's opening round.

Steelers Roll On Unbeaten In 'Y' Loop

Nine players for Granite City Steel Co. got into the scoring column yesterday at the YMCA gym as the Steelers rode roughshod toward the Industrial Basketball league championship by defeating A. O. Smith Corp. 72-48.

In the afternoon's first game, Dow Metal Products won a low-scoring duel from Union Star and Refining Co., 51-43.

Howard Silas of A. O. Smith topped all scorers, but the Steelers had better balance as Skip Smith canned 18 points, John Draper 14 and Jerry Wilten 13.

The victory left the Steelers undefeated.

Dow Metal also had good balance, with seven of the eight players who got into the game for the winners scoring. Jim Zarling was tops with 11 markers and Jim Sadler had 10. Ron Parker bucketed 12 for Union Star, still seeking its first win in the league.

Schiltz Five Gains Ground On SIBA Kegling Leaders

Bowland Schiltz gained a full game on both first-place Alton Falstaff and second-place Colinsville Revere Room in Southern Illinois Bowling Proprietors Association Classic league legged Saturday night at the Acme Lanes in Alton.

Schiltz won the odd game from last-place Pepsi-Cola of East Alton while the Falstaffs lost two to Lenora's Bowlers Shop of East St. Louis and Ripley Pins of O'Fallon posted a 2-1 verdict over Revere Room. Carling Black Label of Belleville nipped Rusty's of Wood River 2-1.

The results left Schiltz four games behind Falstaff and only 2½ games back of Revere. The Falstaffs hit high team totals of 3038 and 1159 despite dropping a pair, and the Chevrolet of Alton led with 269 and 696.

Bowland will roll Black Label at 7 p. m. Saturday at the Edgemont Lanes during a split SIBA season. The Schiltz Saturday totals: Nick Levent 535, Max Legate 577, Jim Venick 543 and Jim Berry, 539. The team average is 89½ pins.

Levee Board May Call

(Continued from Page 1)

prove or extend sewage treatment works and pay the cost thereof by the issuance and sale of revenue bonds of the city payable solely from the revenues to be derived from the operation of a sewerage service charge."

C. W. Klassen, technical secretary of the Sanitary Water Board, said, "We are Pressuring and will continue to apply pressure because over 96% of the state's pollution goes into treatment plants."

"Millions of dollars have been spent on treatment. Of the remaining 34% of the cost, nearly 70% is in this region."

Cities Or District Acceptable

"St. Louis is one of the major pollution problems, and in all polls can't put a finger at them until we clean up. We do not care who does the abatement job. Over the state, sanitary districts have been a logical choice, but if I was mayor of a city I would be for the city."

"An election would crystallize the will of the people. A city has to be found to determine how the job is going to be done, the question of whether it has to be done is settled."

H. W. Poston of the U. S. Public Health Service in Chicago cited Public Law 660 as making abatement mandatory and said the first of three steps, calling a conference, has taken place. Remaining steps would be calling a hearing for issuance of an order by the Health, Education and Welfare secretary and application for a court order.

Federal health officials try to avoid the necessity of the steps, especially the last two, but must use them when compliance does not take place within a reasonable period. Poston explained.

James O. McDonald, Public Health Service attorney, pointed out that the St. Louis metropolitan area is only one of 13 in the nation in which the government had deemed it advisable to begin the conference-hearing order procedure.

East St. Louis Vote

Retracting that "I think the people would like to know, before voting, how much it's going to cost," Mayor Fields said East St. Louis residents would be likely to approve the plan if charges would be \$2 or \$2.50 a month but not if it amounted to \$4.35 or \$6.

Efforts to obtain a cost estimate proved unsuccessful, but F. E. Wisely of Horner and Shiffrin engineers hired by the district in 1958 to study pollution, said there is no doubt in his mind that it would be costlier for cities to proceed on their own.

Monsanto Mayor Leo Sauger said his village of 350 people has voted an \$800,000 bond issue to acquire land and 123 acres has been obtained as a treatment plant site. However, industrial waste is so great that abatement would cost over \$3,000,000, and the project is being restudied, he said. Wisely said Granite City costs "would be less than this amount because the industrial waste is not as complex in composition."

Thirty-six persons braved a snowstorm to attend the advisory meeting, and Costello issued press releases as the group departed. No mention was made of the current dispute over the levee board presidency, although all trustees attended and several took part in the discussion.

Costello and Lawrence Tolar have been granted until tomorrow to file briefs in quo warranto proceedings brought against Costello in the East St. Louis circuit court.

Madison Avenue Crash

As Earl Prather, 34, Collinsville, slowed in the 2700 block of Madison avenue at 3:36 p. m. Saturday as another car pulled away from the curb, the rear of his car was struck by the front of the auto of Werner Ziegler, 45, of 215 Briarcliff. All was northbound.

Granite City, was unhurt, according to the police report.

Police said the car was traveling south on Edwardsville road when it flipped over on the pavement between 21st and 20th streets. Two ambulances and two wreckers were dispatched to the scene, but it was learned only one vehicle was involved.

No reason was given for the driver fleeing the scene, according to the report. He was identified by police as Charles Ratty of Hillsdale, Mo.

Two Hurt On Bridge

Mrs. Rosina Mangiaracino, 48, and Rosemary Mangiaracino, 16, both of 2135 Ames avenue, were treated at St. Elizabeth Hospital for injuries suffered at 11:45 p. m. Sunday in a McKinley Bridge collision.

James C. Garrett, St. Louis, was driving west and Joseph Mangiaracino of the Ames was driving east when the crash occurred at the time of the crash.

Mrs. Mangiaracino was treated for right knee and elbow abrasions and received skull and rib x-rays, while Miss Mangiaracino was treated for an abrasion to the right knee. Both were released from St. Elizabeth Hospital.

Car Hits Snowbank

Facial cuts were suffered by Robert G. Douglas, 28, of 3941 Park lane, Pontoon Beach, whose auto hit a snow bank on Johnson road last night, according to a report prepared by the county sheriff's office.

Authorities said Douglas was attempting to pass another vehicle when his auto hit the snow bank. He was taken by ambulance to the local hospital.

4 Hurt In Accident

Four persons, a mother and three children, were hurt about 4 p. m. Thursday in a two-car accident at Denver and Jefferson streets. They were given emergency care at St. Elizabeth Hospital.

The injured were Mrs. Francis G. Hozian, 21, of 2838 Denver street, and Alexis, 4, Connie, 3, and Carl, 1.

Police said Mrs. Hozian was driving east on Denver street while the other auto was being operated south on Jefferson street by James V. Sample, 30, of Tulsa, Okla. He was charged with failure to yield right-of-way and released on \$11 cash bail. The report shows his auto slid by a stop sign.

Minor Injuries Suffered

By five-year-old Donna Jean Marvies, who was a passenger in an auto involved in an accident Thursday afternoon at Namecki and Pontoon roads. Police said she was riding with Mrs. Norma Jean Sarvis, 27, of 4010 Braden avenue, who was driving north on Namecki road and making a left turn at the intersection.

The other auto was being driven south on Namecki road by Francis B. Malloy, 60, of Alton. There was damage to the front of Malloy's car and to the right front of Mrs. Sarvis' auto.

State Street Mishap

A collision at 24th and State streets at 1:53 p. m. Saturday damaged the right side of the car of Earl Hudson, 22, of 2321 Edwards street, eastbound on 24th, and the front of the northbound auto of Curtis L. McFarland, 54, of 2640 East 27th street.

Chases Hubcap Thieves

Two front hubcaps were stolen off a 1955 auto in the National Food Store parking lot, 2323 Madison avenue, at 11:22 p. m. Saturday, police were notified by the owner, John DeGonia, 2556 Iowa street, who told of unsuccessfully pursuing four youths who sped away in a 1956 or 1957 auto.

Theft of the two front hubcaps off his 1955 auto while it was parked on a lot at Union Arch & Refining Co. was reported to Granite City police Thursday afternoon by Keith Kelly, 1250 Robin street, Venice.

Theft of a briefcase and pair of gloves from his automobile while it was parked in front of his home was reported Thursday to Granite City police by Ronald Glasgow, 2218 Washington avenue, who said the items were taken last Wednesday.

Shelby On Maneuvers In Germany

Army Specialist Five Vernon C. Shelby, son of Mrs. Vivian Thompson, 3108 East 23rd street, is participating with other personnel from the 30th Medical Group in Exercise Winter Shield II at the Grafewehr-Hohenfels training area in Germany. The exercise is scheduled to end this week.

Winter Shield, an annual Seventh U. S. Army winter field training maneuver, involving 60,000 U. S. Army, German and French troops, marks the high-point of a year's training for units in NATO's "Pyramid of Power."

Specialist Shelby, assigned to the group's Headquarters Detachment in Stuttgart, entered the Army in 1956 and arrived overseas in March 1957.

The 22-year-old soldier attended Granite City high school and was employed by the Abrams Amusement Co., Granite City, before entering the Army.

Larger Explorer Posts

In Quad-Cities Urged

Larger explorer posts were urged during the February Uniwah district scout commissioner's meeting, held despite Thursday night's snowstorm. Location was the First Presbyterian Church.

District Executive Dan Brown reported on a national study showing that the majority of successful explorer posts since introduction of the new program have been units of 25 to 40 members. They have had a continuing specialty, and advisors new to scouting but with advanced education and experience.

Brown also reported on plans to aid the Goodwill Industries, and District Commissioner Bernard Miller Jr. stressed the need for training of unit leaders.

"Two-deep" leadership and service by district operating committees to unit committees and leaders.

B. J. Rodgers, central section commissioner, reviewed respect to the American flag, and each commissioner reported current activities. A one-year service star was presented to Floyd Pritchard, and a "clean" award was given to Louis Laster, north section commissioner.

Leo Kallie, area activity chairman, reminded the group of units' need to apply for booths at the May 5-6 scouting fair. Slides of booths at the 1960 fair were shown, and birthday cupcakes were served by Tom Teague, host commissioner, in honor of Herbert Polley, neighborhood commissioner. Kenneth West was inducted as commissioner for the pack, troop and scout at St. John United Church of Christ.

Plumbing And Heating Contractors Will Meet

Charles Wade, president, will preside Tuesday at a 6:30 dinner and monthly meeting of the Plumbing, Heating and Piping Contractors of Southern Illinois at the Fairmont Hotel in Collinsville.

The program will be furnished by Robert E. Higgins of Revere Copper and Brass Inc. Reports of the state convention in Peoria will also be given by the past state president, Art Neuf of Belleville.

The Auxiliary, headed by Mrs. Len Mohr of Red Bud, will meet at the same time.

State Capital

NEWS

In a speech last week at the Unemployment Compensation Office in Lincoln, Gov. Otto Kerner said, "I am going to ask the Director of Labor and the Unemployment Compensation Commission to make a personal investigation of other unemployment offices in this state to make certain that these offices are giving the kind of public service that the unemployed deserve and need in this state to help them over the hardships in which they find themselves at this time."

A contest to select a slogan and theme for promotion of the 1961 Illinois State Fair has been announced by General Manager Franklin Rust. The winner will be a guest of the fair for one day of the ten-day exposition, Aug. 11-20. Prizes for second and third places will be awarded. Entries should be submitted on a postal card and addressed to the Illinois State Fair, Springfield, Ill. There is no limit to the number a person may submit, but each entry should be sent on a separate card.

Examples of slogans used by the fair include, "Showcase the Sixties" in 1960 and in 1959, "It's Family Time in '59." The contest is scheduled to close April 1.

Senate Bill #1, revising the law concerning township organization, was signed last week by the governor. This was the first legislative bill signed by Gov. Kerner.

The bill provides that town-

ships having 7500 or more inhabitants shall elect an additional supervisor for each 7500 inhabitants. This refers to those townships located in counties having 150,000 to 750,000 population.

It further provides that townships having 12,500 or more inhabitants shall elect an additional supervisor for each 12,500 inhabitants in counties having 750,000 or more population.

In its annual farm census report, the state Division of Agricultural Statistics of the Department of Agriculture said that during 1960 there were 160,000 Illinois farms. This is a 3% decrease from 1959, having 165,000 farms.

The size of Illinois farms has grown from about 167 acres in 1935 to the present 190. Consolidation of farms has been the principal reason, while urban development and new highways have taken some land out of agricultural use.

Traffic deaths in Illinois during January decreased by 23 from the same month in 1960, according to provisional figures reported by the Illinois Division of Traffic Safety. There were 120 fatalities compared to 143 for the same month last year.

Ninety-seven per cent of all trailers used in Illinois, it is estimated, are occupied as homes and not as travel units, and at least 60,000 persons in Illinois live in trailer coach parks. This calls for increasing services in environmental sanitation. Dr. L. L. Fetheress, director of the Illinois Department of Public Health, said last week.

A vigorous campaign of weed and pest control will be undertaken by the Illinois Department of Agriculture this year. The Japanese beetle in eastern Illinois and the soybean cyst nema-

Crews Did Good Job In Keeping Local Streets Open Despite Snow

Many schools closed, but it was "business as usual" for most other Quad-City activities Friday and during the weekend despite a deep snowfall. Much of the credit goes to street and township crews that toiled many hours with graders and trucks to make streets and roads passable.

It is not feasible for communities in this region to equip themselves for winter as fully as cities farther north, for the weather here usually is not so severe. When an exceptional storm hits, manpower and machines must rise to the task, and there was an excellent response on this occasion.

Procedures varied, but attention was given first to the busiest intersections and then to clearing traffic lanes and parking areas. Throughout the Quad-Cities, motorists were given a needed helping hand in combating the elements.

The search for the truth is a major goal of mankind.

To Aid In Orderly Growth—A Local Planning Consultant

Emphasis on planning is a hallmark of a community not only looking to the future but on the march toward a bigger and better future. Though sometimes a tedious task, it is a happy one because it goes hand in hand with an area that is bursting at the seams and expanding outward, a healthy condition.

The Quad-Cities amply fit the definition of an urban area in an almost constant state of growth. New territory is being added regularly to Granite City, Mitchell is growing and acquiring new services, Madison is preparing for expansion to the east and Venice has many opportunities despite being nearly surrounded geographically.

Planning, zoning and land use controls are among the essential tools for achieving a better tomorrow, and yet they are overlooked in many areas, partially due to their complexity.

At the present time, when additional growth seems assured, Granite City — or the three cities jointly — could profitably employ an expert city planner on a consulting basis. At a relatively small cost, he could provide the advice that is so badly needed to meet the perplexing new problems inevitably encountered as this community expands.

It isn't to be expected that everybody will think you are perfect; just be satisfied if you are able to fool one or two human beings.

County's 150th Anniversary Could Be Festive, Informative Event

The year 1962 could be a festive one for local residents if definite plans are made to observe the sesquicentennial of Madison county.

History of this county since it was founded in September 1812 is rich in the American tradition, and it would be a colorful and informative subject for the type of pageant under consideration. The county originally had much larger boundaries, and sites within the present district were the scene of many precedent-setting events.

Presidents from Lincoln on down to Kennedy have spoken here, and we suspect that a surprisingly large amount of historical fact and lore will be uncovered if the county's past is delved into in a thorough manner.

While research into the past does not always provide an adequate guidepost for the future, it is an interesting and worthwhile project that could prompt present Madison county residents toward greater re-dedication to their nation and its ideals. The county's 150th year would be an appropriate time for a large-scale anniversary celebration.

Accidents are inevitable, perhaps, but there is no good reason why you must have one, if you are careful.

Thorough School Crossing Study May Lead To Greater Safety

American Automobile Association recommendations for greater school crossing safety indicate a thorough appraisal has been made of local traffic conditions. At the same time, it shows that there is no simple answer to the problem.

The report recognizes the concern of parents and authorities, as well as the steps already taken to protect children, and adopted by the city. To the suggestions given, we would add more uniform procedures for student safety patrols to follow, and possible use of red warning flags attached to long poles, enabling vehicles to be halted without actually entering their path.

The detailed report contains much information and advice, and should enable an improved program to be prepared and adopted by the city. Elimination of parking at school crossings and reduction of the number of intersections used seem particularly worthwhile proposals.

Council Discussion Helpful In Deciding On Sound Procedure

When public officials hold a lengthy discussion on an issue, there is a natural tendency among some observers to wish for more harmony and less debate. Yet this is the heart of the democratic system, and Granite Cityans are fortunate that most topics are given a thorough airing at their city council sessions.

A case in point is the proposal to repair a city sewer line so that improvement of 20th street can proceed. There is a "rush" tag on the project because costs will increase if work is delayed until use of the line increases in a few weeks.

Urgent business must be given prompt consideration, but urgency does not justify an abandonment of sound procedure. It remains to be seen whether competitive bids by other firms or a cost estimate on work by the city itself will result in savings, but there is no doubt that the council's plan is a better approach than that originally outlined. There should still be time for appropriate action.

Quick acceptance of the initial contract suggestion would have speeded the meeting, but the 90 minutes of discussion clarified the problem and are likely to prove of benefit to the public.

Uniform Age In Liquor Law Could Improve Enforcement

The Southwestern Illinois Council of Mayors has a valid point in urging revision of the state liquor law to obtain a uniform age requirement. Assuming this validity, the next question is whether the age should be 18, as in the case of girls' at present, or 21, the current age for young men.

When girls are permitted to drink in public places but their escorts may not, an artificial label of "juvenile" is placed on the male, possibly prompting him to break the law by falsifying his age, or to attempt to offset the age stigma with some form of extreme conduct. Identical age requirements could simplify age verification and enforcement, while also reducing the number of cases in which some but not all members of a group can be served.

There are two schools of thought on what the uniform age should be, but setting it at 18 could present serious legal complications if minors became involved in traffic accidents or other matters for which they are not legally accountable. On the other hand, it has been pointed out that youths do not have to wait until 21 to serve in the armed forces.

The problem deserves serious study by the state legislature, and certainly out of this study should come a uniform age on serving of alcoholic beverages. The Press-Record leans toward 21 as a better age than 18.

Rhoderick Key, son of Mr. and Mrs. Rhoderick W. Key, 3412 Namrock road, who has just completed basic training at Fort Leonard Wood, has been selected as the outstanding trainee of his company of 260 men. He will be assigned to Fort Ord, Calif.

Key is a graduate of the Granite City high school and Southern Illinois University at Carbondale last June.

Auto Damaged

An auto belonging to Charles Miller, 48, of 2211 State street, was damaged about the left rear Saturday when it was parked at 20th street and Delmar avenue and was struck by a hit-run motorist.

Man Burned Slightly In Oven Explosion

In a St. Elizabeth Hospital emergency case, Harold Bridges, 1220 Oriole street, Venice, was treated at 9 a. m. Friday for superficial burns to the eyelids, nose and forehead, sustained when an oven exploded.

Charles Ivis, 2462 Cleveland blvd., was bitten by a dog, police were informed at 3:20 p. m. Friday.

Auto Window Broken

A vandal broke a left door window of the auto of Willard Rainey, 1901 Spruce street, while it was parked at Namrock and Edwardsville roads between 8 p. m. Friday and 1 a. m. Saturday, police were notified.

Named Assistant Treasurer

Francis E. McBride, 3909 Franklin avenue, was elected to the office of assistant treasurer of General Steel Castings Corp. instead of assistant secretary, as was reported in last Thursday's issue. The new assistant secretary is Peter Cracium, 2122 Garfield avenue. Both men were elected by the board of directors.

Collide Near Snow Pile

With vision blocked by a large pile of snow, the auto of Lorrie Wood, Bend road, proceeded westward out of a restaurant driveway at Niedringhaus and Madison avenues at 12:27 p. m. Saturday and collided with the right side of the northbound car of Alan L. Emert, 17, Canal Zone, who was driving along Madison avenue.

Stress Cranberry Bread
2 cups sifted all-purpose flour
1/2 teaspoon soda
1/2 teaspoon salt
2 teaspoons double-acting baking powder
1/4 cup shortening, softened
1 cup sugar
1 egg
1/2 cup fresh orange juice
1 tablespoon grated orange rind
1/2 cup chopped nuts
1/4 cups coarsely chopped fresh cranberries

Sift together first 4 ingredients and set aside. Cream shortening and sugar until fluffy. Beat in egg. Add flour mixture alternately with orange juice. Stir in orange rind, nuts and cranberries.

Turn into greased, lightly floured loaf pan 9 by 5 by 3 inches. Bake in 350-degree oven about 1 hour and 20 minutes. Remove from oven, turn out on wire rack and cool.

Wrap in waxed paper or foil and store in cold place. Yield: 1 loaf. (This bread keeps well and is also excellent for freezing.)

Beef Roast
With Mushroom Sauce
4 pound sirloin tip or cross rib roast
Salt and pepper to taste
1 pound fresh mushrooms, or equivalent of canned ones, drained
1/4 cup softened butter or margarine
2 tablespoons minced parsley
2 tablespoons instant minced onion
1 teaspoon prepared mustard
1/2 teaspoon salt
1/2 teaspoon each nutmeg and pepper
1 1/2 tablespoons flour
1 pint commercial sour cream

Rub roast with salt and pepper to taste and insert meat thermometer so bulb is in center of meat. Roast in 325-degree oven until desired doneness, allowing 22 to 26 minutes per pound for rare, or 140 degrees on thermometer, and for well done, 170 degrees.

Meanwhile, wash mushrooms and slice or halve lengthwise. Cream butter and mix in parsley, onion, mustard, 1/2 teaspoon salt, nutmeg, pepper, flour, sour cream and mushrooms. Turn into 1 1/2 quart casserole.

Bake, uncovered, along with roast at 325 degrees for 45 minutes, or until mushrooms are tender, stirring once or twice. (If canned mushrooms are used, reduce cooking time to 20 to 25 minutes.)

Spoon hot sauce over servings of sliced roast beef. Yield: 8 servings, with additional meat left over for sandwiches.

May We Suggest
For an extra-special occasion, maybe you'd like to give an additional fillip to roast beef with a delicious mushroom sauce.

Our recipe calls for fresh mushrooms. This is first choice. But if fresh are not available, the canned variety will work well.

Sour cream enhances the sauce, which bakes in a separate dish right along in the oven with the roast beef. Complete the menu with baked sugar, browned potatoes, grapefruit-avocado salad and something light and easy for dessert.

Auto, Bus Collide
Raising and unexpected lowering of the Netherland avenue railroad crossing gates at 4:45 p.m. Saturday was blamed for a collision of westbound vehicles. There was damage to the rear of the auto of Mrs. Kiyoko Statry, 31, Bossier, La., and an Army bus driven by H. D. Irvin of the 33rd Engineer Group, Engineer Depot.

EASY DIRECTIONS FOR COOKING IN LIQUID
Here are some easy directions for better results when cooking meat in liquid. (1) Brown meat on all sides in own fat or lard. Some larger cuts such as cured pork, corned beef and fresh orured tongue, are not browned before adding liquid. (2) Season with salt and pepper unless meat is cured. (2) Cover with liquid, cover pan, and simmer (cook below boiling point) until tender. (4) Add vegetables just before end of cooking time or before end of cooking time to be cooked.

Broiler-fryers are reasonably priced and plentiful this time of year, as is rice, so this symposium did not stay on the budget.
Your Money's Worth in Chicken
Have you ever wondered whether it would be more economical to buy the meaty parts of chicken rather than the whole chicken? If so, you have several things to consider. If your family is small and prefers only certain pieces there is little doubt but what purchasing certain pieces will be your best buy regardless of price. However, if all parts are enjoyed by your family knowing when you get in edible meat from various pieces will help.

A package of whole cut up chicken contains about 50% edible meat; breasts about 62%. So on all sides in heated oil in skillet. Remove chicken pieces. Add onion and green pepper, cook until onion is tender, but not brown. Add tomatoes, bay leaf, salt, cloves and tabasco, mix well. Add chicken pieces. Simmer, uncovered, 20 to 45 minutes, or until chicken is tender. Serve with hot cooked rice. Yield: 4 servings.

CRITICIZES MISSOURI'S TAXATION OF ILLINOISANS

Mr. C. E. Townsend, Editor of Granite City Press-Record

Dear Mr. Townsend: If you should consult the oldest, most cherished document in our American history, you will find these words, "For imposing taxes on the without our consent." This one line is from the original document, which can be found in our Library of Congress located in Washington, D. C. It is our very striking "Declaration of Independence." The proud voice of the people of a new, weak, wobbly little country with thirteen states. The voice of the people who dared to defy a man, oppose a powerful monarch; and the mighty army and navy of Great Britain.

This particular line refers to unfair taxation imposed on the American colonies by the English king. Such injustice inspired Patrick Henry to make his famous speech in the House of Burgesses when he said, "Gentlemen, taxation without representation is tyranny. I know not what others will do, but for me, give me liberty or give me death."

Strangely enough, there are citizens of your own State of Illinois; in your own city who are experiencing taxation without representation. It is quite true. While there are several states imposing a tax on non-resident wage earners; it is of special interest to the people in cities of Madison and St. Clair counties to fully understand how and why this has happened.

The people of the State of Missouri voted by ballot for a state income tax. The citizens of the city of St. Louis voted by ballot for a city earnings tax, and again by ballot for an increase of the tax on non-resident wage earners. This is legally correct income taxation.

As far as it is lawful in the State of Missouri. There are some 30,000 people who live in St. Clair and Madison counties who pay Missouri state income tax, yet they have no representation, nor do they have voting rights. It is rather ironic to consider that the basic fundamental principles of our government can be so misconstrued as to permit any state to exercise the authority of states rights of said sovereign state, and tax a non-resident worker who is without representation, disregarding all due process of law.

The people of the State of Illinois are well represented in Springfield, Illinois and in Washington, D. C. It would be most interesting to hear their comments on this very controversial subject.

No Injuries As Auto, Switch Engine Collide

Luther Ray, 58, of 2007 Sken Street, Madison, escaped injury at 6:30 a.m. Saturday when his right side of his northbound auto collided with a westbound Chicago and Northwester Railroad switch engine at the Edwardsville road crossing near 16th street.

Police listed the engineer as an Edwardsville resident named Rask. They said Ray noted flasher signals but started to cross because they are frequently on. He did not see the approaching engine in time to avoid the crash, he related.

Compares U. S., Russia Economies In Speech

Comparisons of economic factors between the United States and Russia were drawn at the Thursday Optimists meeting by Col. Jack Jeffrey, depot commander in a talk illustrated with charts, pointed out that industrial expansion of the two countries from 1870 to the present day has been almost parallel.

Col. Jeffrey said both countries have progressed at nearly the same rate of speed.

In reference to the labor force, he said 38% of the U.S. force is female while half of the Russian employment is composed of women.

He noted that the Gross National Product of the U.S. has increased 4% since 1928, while Russia has advanced 7%.

The U.S. has invested 19% of its total GNP into improvements while Russia has plowed back 25% into growth.

By 1978, he said, both countries will be equal in economic growth.

The Soviet Union, at present, does \$8 billion in reciprocal trade, while the U.S. has trade estimated at \$93 billion.

In citing historical data, Jeffrey said both countries have had nine wars each in the 19th century, nine in the 18th century and six in the 20th century.

He spoke to 45 members of the club. Chester Baker was program chairman.

Building In GC Totals \$129,842 During January

New construction in Granite City during January totaled \$129,842 in value for 23 permits, including three for homes, according to records of City Building Inspector Earl Bloomquist and City Clerk A. L. Stevens.

Construction, hampered by ice, snow and subfreezing temperatures for several weeks, was only slightly under the December totals and greater than the January 1960 figures. In December, the value was \$183,377 for 24 permits, including five dwellings; and in January 1959, the value was \$114,251 for 31 permits, of which two were for homes.

Permits issued last week were for placing two house trailers on vacant lots and erection of two advertising signs.

Richard Conway obtained a permit to place a \$4325 trailer with four rooms and bath on a lot at 2241 Alexander street, while Dean McCracken was issued a permit for a \$4400 trailer with four rooms and bath to be placed at 2227 Alexander street.

Permits for advertising signs, went to Wells Tire Co., 2248 Madison avenue, for a \$3000 sign, and Bellemore Sporting Goods, 3220 Nemoir road, for a \$1600 sign.

Madison Lions Arrange Sweetheart Dance Program

Gerald Zahn, chairman of the Madison Lions' entertainment committee for the "Sweetheart Dance" to be held Feb. 25, gave a report Thursday night at a meeting at the Sportsman Club that dance and novelty acts have been obtained for the affair.

The program will begin at 8:30 and will run for 45 minutes, followed by dancing of members, guests and wives.

Also further plans were made by Alvin Love and Thomas Miller, co-chairman, for the annual "Pancake Brunch" to be held Palm Sunday at the recreation center in Madison.

The Lions bowed in silent prayer for a former member, Chester Kelly, who died Thursday.

Twenty-two members were present at the meeting, presided by Charley Foley, president.

College Agents To Confer With Seniors, Parents

"College night" will be held Thursday at Granite City high school for the second year in succession. It was announced today. Admissions officers from ten colleges and universities will participate.

The program is planned primarily for high school seniors who are considering enrolling in college, and their parents. Younger students also may participate if they wish.

A general session will be held at 7 p.m. Thursday in the GCHS auditorium. Then, at 7:40, the groups will divide up and confer with the university representatives in separate classrooms.

The admissions officers will attempt to answer all questions that the students and parents may have. Both small and large institutions will be represented, and the ten are principally in this section of the country.

High school administrators and counselors will assist in the event.

GC College Student To N. Y. Press Conference

Miss Carolyn Gaye Glore, daughter of Mr. and Mrs. Russell Glore of 2064 Iowa street, will conduct three press conferences to the Overseas Press Conference and United States Student Association meeting to be held Feb. 10 through 13 in New York City.

Miss Glore, a senior at Findlay College, Findlay, O., is editor of her college newspaper and entered into competition for one of a number of scholarships to the conference with other college newspaper editors across the nation.

The awards are based on essays written by entrants as to what they could contribute to the conference. Miss Glore's experience in journalism includes the editorship of the college handbook, 17 months experience as assistant society editor of the daily newspaper in Findlay and the current vice-presidency of Alpha Phi Gamma, national journalism fraternity.

The scholarship covers hotel and travel expenses. Miss Glore is majoring in sociology with a minor in journalism. She will be a candidate for graduation on June 5.

Among guest speakers at the conference will be columnist Bob Considine, Time-Life Washington Bureau Chief John L. Steele, Special Ambassador for the President Averell Harriman, Assistant Secretary of State for African Affairs G. Mennen Williams, plus representatives from Newsweek, the New York Times, Christian Science Monitor, New York Herald Tribune, Life and the New York Post.

The conference is entitled "Pressure Points on the News Frontier."

William Schmidt, 63, Dies of Heart Ailment

William H. Schmidt, 63, of 2308 Hodges avenue, died at 8 p.m. Thursday at St. Elizabeth Hospital, where he had been a patient for three days.

He had been under medical care for the past three years, and his death was caused by a heart attack.

Schmidt, a retired warehouseman, had worked for the Engineer Depot for 15 years, and had been a Granite City resident for 50 years. He was born in St. Louis. His wife, Edna Mae, died in 1957.

Surviving are a son, William, of Whittier, Calif.; three daughters, Mrs. Maurice (Ruby) Logan, Mrs. John (Hazel) Pierson and Mrs. Arthur (Viola) Corley, all of Granite City; two sisters, Mrs. Clara McClew and Mrs. Lizette Pufalt, both of Granite City; seven grandchildren and one great-grandchild.

Services were held at 10 a.m. today at a Granite City funeral home, with burial at Sunset Hill Cemetery, Edwardsville. Arrangements are given in the obituary column.

VONDEE CRUSE FOR ASSESSOR

Thomas Edison invented the first incandescent lamp on October 21st, 1879. About 60 years later, in 1939, Edison re-enacts his discovery, while friends Henry Ford and Frances Jehl, Menlo Park assistant, look on.

THE INQUIRING MIND

that made Electric Living possible

HIS MEMORY was so frail that he once forgot his own name—yet few names are now remembered more... He was so backward in school that his teachers complained—yet the thrust of his vision won the world's praise.

No handicap could dim his shining achievement... When he gave us electric light he gave an endless resource for achievements to come—in science, education, industry and every-day living.

You need look no farther than your own home to realize the unending opportunities electric lighting affords for beauty, convenience, comfort and safety.

25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record

Thursday, Feb. 6, 1936

A strong possibility exists that the WPA levee project at Stallings will be abandoned, although new wage demands by employees of the project have been reduced to \$4 per month, instead of \$10.

WPA officials have ordered the project shut down within 10 days, because it is "not worthwhile."

However, it is believed, that work will begin soon, due to the poor condition of the relief program.

W. C. Harris was appointed as president of the Nameoki village board in a meeting Monday to fill the term made vacant by a recent resignation.

The Venice school board voted Monday night that it will add football to the list of sports played by high school students.

Coach Carl Eolin, of the basketball team, will be in charge of staffing the new squad for competition in the fall.

A resolution furnished by the East Side Levee Board for the construction of a trunk line sewer system through the Tri-Cities was introduced to the city council Monday but no action was taken. It was ordered "filed" which is tantamount to being killed.

Lloyd "Curly" Harris, of Granite City, has announced he will be a candidate for re-election to the Illinois legislature.

The Trojans of the high school took sole possession of first place by edging the Granite City Warriors Friday night, 26-25 to break a first place tie between the two clubs.

More than 1000 fans jammed the Madison gymnasium to witness the tingle. A long shot in the final four seconds by Gushoff led the game for the Trojans, who have won seven contests, while losing only one in the Madison St. Clair conference.

The Venice high school basketball team was upset 36-32 Friday night by Pocahontas in the first round of the National Trail conference tournament held in Highland.

Avery Carp, of Carp's Dry Goods Co., recently returned from New York City, where he attended a showing on the new women's fashions. He said the number one style will be "manish" and "tailored outfits will be the vogue."

The Madison Mothers' Auxiliary elected new officers at a

meeting Friday afternoon at the home of Mrs. Russell Strangle.

Elected were Mrs. Henry Conzole, president, Mrs. S. N. Sprout, vice-president, Mrs. Nollie North, secretary and Mrs. Ellis Lyarger, historian.

Continued weather has exhausted the coal supply of Venice schools, and it was announced Monday at the school board meeting, that if a quick source of supply isn't found, the schools will have to close temporarily. It has been nip-and-tuck to keep the heating units supplied during the last two weeks.

Practice on a microrelletole to be given next Friday under the direction of Mrs. Stella Loftus was held at St. Mark's church hall Tuesday. Included in the chorus will be Miss Julia Maher, Miss Lena Ferro, Miss Lucia Sancier, Miss Allen Loftus, Miss Thelma Frey, Miss Dorothy Schank, Pete Ferro, Joe Dutch, John Maher, Sam Ferro, Thomas

well Kleinschmidt, Theodore Overbeck, Harold Pinkerton, Miss Verna Slay and Miss Lydia Bolliger.

The Past Chiefs club of the Pythian Sisters elected officers at the home of Mrs. Earl Conary Thursday. Elected were Sadie Wittick, president; Mae McCaulley, vice-president; Lillian Gaumer, secretary and Ella Toppel, treasurer.

William Skinner rolled a high single game of 259 and a series total of 665 Friday to lead all bowlers.

Mrs. Viola Hodge was re-elected president of the East Granite Methodist Church choir Friday evening in a meeting at the church. Other officers elected include Miss Dorothy Hoskinson, secretary-treasurer; Mrs. V. P. Koenig, business manager; and Mrs. Hugh J. McNelly, conductor.

BIG THOUGH SMALL

Hondius, which ranks 14th in size among the 20 Latin American countries (with an area of 43,277 square miles), is greater in size than Denmark, Switzerland and The Netherlands combined.

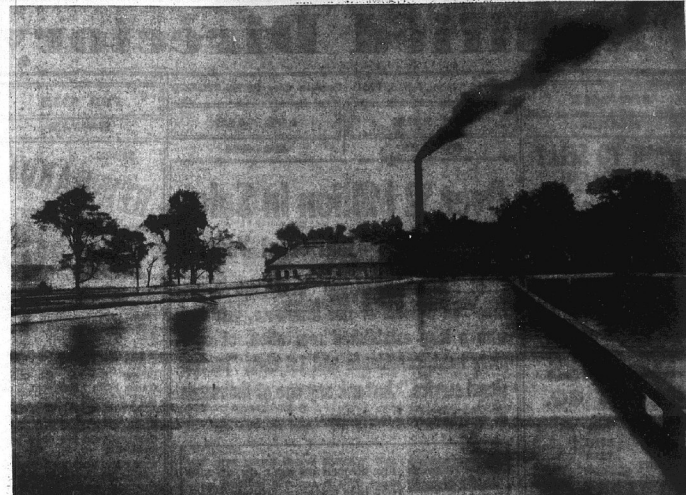

By Edward Collier

Proud Richmond is the hub of a Magic Circle auto tour to the heart of America's historyland. The State Capitol holds the priceless—and only—statue of George Washington done from life. Other treasures are the White House of the Confederacy, Monument Avenue and its statues of war heroes, the John Marshall House, and St. John's Church, where Patrick Henry fanned the flame of independence with "Give me liberty or give me death."

The route leads to Colonial Williamsburg, the marvelous restoration of an entire 18th Century community. Everything is thrillingly alive and perfect: the imposing Capitol, Governor's Palace and Gardens, taverns, lovely homes, public gall. The stately campus of the College of William and Mary, founded in 1693, is a showplace.

Colonial Parkway takes you to Jamestown, site of the first permanent English settlement in America and the restored battlefields of Yorktown, where Cornwallis surrendered to Washington to end the Revolution.

Other highlights: a pleasant drive through rural Virginia, where peanuts and corn are grown; the meat packing center of Smithfield; the lovely 1632 St. Luke's Church; the vast Naval Base and Air Station at Norfolk and the resort city of Virginia Beach, famous coastal playground.

GRANITE CITY WATER WORKS in the early 1900's located on Gabaret Island at the Mississippi River, opposite Mossenthin Island. The plant was razed during world war II to salvage scrap metal, but the smokestack withstood

Raw Cranberry Salad

This is a raw cranberry salad for a crowd. Of course, you can divide the ingredients for family use. Congealed salads such as this will keep for a week or longer in your refrigerator without deteriorating.

1 pound raw cranberries
2 whole unpeeled oranges
1/4 cup pecans
4 stalks celery, diced
1 can (large) crushed, undrained pineapple
Grated rind and juice of one lemon
2 packages cherry gelatin
1 envelope plain gelatin
2 cups hot water
2 cups orange juice
1/2 cup cold water
1 cup sugar
1 teaspoon salt

Grind cranberries and oranges, quartered and seeds removed, using coarse blade of grinder. Chop nuts coarsely and add along with lemon rind, diced celery and crushed pineapple. Set aside.

Dissolve cherry gelatin in 2 cups of hot water; add sugar,

Pfc. Allen At Marine Barracks In Alaska

Marine Pfc. Raymond G. Allen, son of Mr. and Mrs. Thomas R. Allen, 900 Twenty-fourth street, is serving with the Marine Barracks at the Naval Station, Kodiak, Alaska. He was recently promoted to his present rank by Major C. H. Sullivan, commanding officer of the Marine Barracks. Before enlisting in June 1960, Allen attended Granite City high school.

Angela Epperson Local Entry In Bakery Contest

Angela Diane Epperson, seven-year-old daughter of Mr. and Mrs. Robert Rongey, 2409 Grand avenue, is one of five finalists in the Little Miss Martin contest sponsored by Sebold's Bake Shop, a member of the Greater St. Louis Bakery Association.

The five finalists will appear at noon Thursday Feb. 9, on the Charlotte Peters TV show on Channel 5.

No New Filings In 3 Local Cities, Townships

No new filings were reported for city and township offices to be filled in the three local cities and townships in April.

The filing period for city-township offices in Granite City ends next Monday, as do the filing periods for Venice and Nameoki townships; while the closing date for the Madison and Venice municipal elections is Feb. 27.

Note: This can be adapted to whole canned cranberry sauce by omitting sugar and reducing amount of water to be substituted with juice from cranberries.

Before cooked beef brisket is carved, excess fat should be removed.

Col. D'Arezzo, Eubanks Elected By Engineers

Col. Alfred J. D'Arezzo, district engineer of the U.S. Army Engineer District, St. Louis, was elected president of the St. Louis Post, Society of American Military Engineers, at a meeting held last week at the Granite City Engineer Depot.

Col. D'Arezzo succeeds the 1960 president, Col. Jack C. Jeffrey, commanding officer of the Engineer Depot.

Other officers include George E. Eubanks, 3014 Franklin avenue, Granite City, vice-presi-

dent; Daniel W. Gifford of Webster Groves, secretary; and Col. N. W. Colburn of St. Louis, treasurer. Eubanks is public relations director and a member of the operational planning staff at the Depot.

The society's program included a talk by Carl Weber, director of the Laclede Steel Company's Research and Engineering Division. His subject, "What Has Happened to Our Strength?" dealt with the competition and the nation's relative position in world industrial production.

A social hour followed, and a dessert luncheon was served by the hostesses. Mrs. Melba Elgan, Mrs. Mabel McGee, Mrs. Julia Kaskley and Mrs. Jane Harris. Games were played, and prizes were won by Mrs. Madonna Groshong, Mrs. Ruth Cawner, Mrs. Bernice Daniels and Mrs. Elsie Cawner.

Another member present was Mrs. Pearl Hoover who was hostess Wednesday afternoon at a meeting of the Christmas club, held at her home, 460 Broadway. The afternoon was spent at games, and prizes were awarded.

Refreshments were served to Mrs. Naomi Boelling, Mrs. Lill Duer, Mrs. Mabel McGee, Mrs. Edna Miller, Mrs. Margaret Painter and Mrs. Hester Olsen. Hostess for the next meeting will be Mrs. McGee.

IN DECATUR HOSPITAL.
Mr. and Mrs. Floyd Chappell and Mrs. Delores Hill of Venice and Mrs. Mary Slavy of Granite City visited Wednesday at St. Elizabeth Hospital in Decatur, Ill.

The group submitted an annual report and discussed scouting with Gov. Kerner, who has been vice-president of the Chicago scout council for the past 11 years.

The representatives were taken to the Lincoln tomb and visited of Lincoln's tomb, after which they had luncheon with the governor.

2-Week Mission To Open At St. Mary's Feb. 19
Fr. Michael Wernsing, O.F.M., of St. Ignace, St. Ignace, Minn., regional missionaries of the Sacred Heart Province, will conduct a two-week mission at St. Mary's Roman Catholic Church, Madison, beginning Feb. 19 and ending Mar. 5.

The ladies will attend the first week and the men the second week. Fr. Engelbert Blenski, O.F.M., pastor, has announced.

Den Two of Cub Pack One met Wednesday afternoon at the home of the leader, Mrs. Alice Rumpf, who was assisted by Mrs. Delores Hill. The boys spent the afternoon making valentines. Those present were: Terry Rumpf, Jimmy Hayden, Harold Genterman, and two guests, David and Christine Rumpf.

Brownies Elect
Brownie Troop 37 met Wednesday afternoon in the student lounge of Venice high school with the leader, Mrs. Delores Boosworth. The meeting was opened with the Brownie promise, and an election of officers was held.

Those elected were Judy Johnson, president; Ginger Hill, vice-president; and Sue Smith, secretary.

The remainder of the meeting was devoted to making Valentine Day gifts.

Others present were Barbara Blattner, Karen Devay, Jane Presswood, Brenda Long, Linda Hows, Connie Boosworth, Helen Tindall, Betty Lou Puent, Debbie Fichte and two guests, Joyce Dillman and Kent Boosworth.

Inside Job To Build Battery of Coke Ovens

Construction of an outdoor project went inside and is proceeding on schedule in the new blast furnace division of Granite City Steel Co. despite subfreezing temperatures and heavy snow.

Inside a large, temporary corrugated metal building, adequately steam heated, 61 coke ovens are being built to provide an increased supply of coke for the division's new blast furnace.

The battery of 61 new coke ovens will be added to the 78 now in operation, and the new ovens are expected to increase the annual open hearth capacity from the present 1,440,000 tons to 1,740,000 tons by 1962.

Construction of the new coke ovens was started last September and they are to be completed by next September.

The huge temporary building—350 feet long, 90 feet wide and 40 feet high—will be torn down after the ovens are completed.

Bricklayers are working inside, protected from the elements and in a steamheated building, and by next September will have laid 1,043,371 bricks in a variety of hundreds of shapes and sizes.

The 61 Koppers-Becker, low-differential, cross flow, gas gun type, combination by-product coke ovens are being constructed by the Koppers Company, Inc. of Pittsburgh. John Supler of Koppers is erection engineer.

Each oven will take 17.2 net tons of coal per charge, and the battery will carbonize about 1525 tons of coal a day to produce about 1000 tons of coke. This will add about 80% to Granite City Steel's present coking capacity in two batteries of ovens and make the company self-sufficient in coke production.

Granite City Steel also will alter and add to its by-product and benzol plants and will expand its quenching station and coke wharf.

The coke oven battery is needed to support the company's expanded blast furnace plant, which will be able to produce about 1,134,000 tons of pig iron a year after a blast furnace with a 28-foot hearth diameter and a daily capacity of 1800 tons of pig iron is blown in.
